

# NOELLE BLOOM

ENTREPRENEUR | AUTHOR | SPEAKER

Noelle Bloom is described as an energetic speaker and thought leader who brings life to the stage at events for entrepreneurs. She can be fun and inspiring, then move into a scientific approach. She combines her stories and experiences with the latest research in business, psychology, habits, and happiness to weave creativity into every presentation. She has a gift for connecting with the audience in a way that makes them feel understood and empowered while teaching them how to live an extraordinary life today, instead of someday. Noelle delivers with energy and inspiration that ignites her audience to put into practice life-transforming habits to create deep, impactful and lasting change in their lives.

## PRESENTATIONS

Offered as Keynotes, Trainings, Seminars, Workshops, Breakout Sessions & Retreats

### IDEAL AUDIENCE:

Entrepreneurs, Thought Leaders, Founders, CEO's & Business Owners

### Design a Business Doing Work You Love

Are you frustrated trying to figure out how to create a business doing work you love? If so, it's time to get unstuck, discover what you're meant to do and build the right business for you. You'll learn a step-by-step process to discover what I call your Business Quadfecta, the intersection of what you're good at, what you love to do, what the world needs and what people will pay for. You'll not only know how to build a business doing work you love, but one that's profitable too-guaranteed to make you fall in love with your business!

### From Dreaming BIG to Living BIG

Are you ready to finally create a business life vision that inspires you to show up every single day? Together, we'll dive deep and create a crystal clear vision for your business and life to make it easier than ever to focus, pick priorities, and set the right goals to align with how you want to work and live. You'll learn my signature process to create a vision for who you want to be, what you want to do and all the fabulous things you want to experience in life, plus a simple strategy to achieve it.

### Leverage Your Hidden Talents, Skills and Knowledge

Are you ready to tap into your hidden potential to create a business that aligns with who you are? Instead of following the outdated advice to "follow your passion" that keeps so many people stuck, I'll show you how to spark passion by following what you're good at. You'll learn how to uncover your hidden talents, highlight your knowledge, and identify your skills so that you can leverage what you're good at. Whether you're ready to start a new business, or have an existing business that needs restructuring to align with what you're good at, you can use your new insights to create a business doing work you love.

*I'm on a mission to help people create a business doing work they love that makes a difference.*

## "NOELLE IS OPEN, HONEST AND KEEPS IT REAL."

Ceara Janelle - Hospitality Enthusiast, Napa, CA

"Noelle gives you a whole new attitude about life! I was more motivated and confident when it came to executing my business strategy. She will help you create a clear vision for your life and business, making it easier to get the results you want."

Michael Carter - Artist, Baltimore, MD

"Noelle is warm, encouraging, and she gives excellent, practical business advice that you just aren't going to find anywhere else."

Tara Hanrahan - Fitness Trainer, New York, NY

"Noelle = Actionable Idea Machine + Strategy. She is sharp, super focused and fun to work with. I seriously wasn't ready for all of the result driven strategies she was able to give! Anyone would be lucky to have her in their corner."

Nikki Duckworth - Fashion Stylist, Atlanta, GA

## ABOUT NOELLE

*100% fabulous. zero fluff!*

As an entrepreneur, published author, speaker and host of Bloom TV, Noelle Bloom helps people discover what they're meant to do and create a successful business doing work they love.

Purpose-driven entrepreneurs from around the globe come to Noelle for help designing a business that gives them the impact, income and freedom they want.

Through years of researching the latest science behind living a happier life, studying from leading experts in business, psychology, health, productivity and habits, experimentation in her own life, and interviewing over 100 entrepreneurs, Noelle has cracked the code to building a successful business while living an extraordinary life.

Noelle is the founder of Live the Fabulous™, a lifestyle philosophy for entrepreneurs, thought leaders, founders, CEO's, and business owners that takes a stand for living a fabulous life today, instead of someday. Live the Fabulous is all about having fun by developing a true passion for your business, living free by ditching other people's blueprints for success, and feeling fabulous—*not burnt out*.

Noelle has appeared on CreativeLive and her work has been published in major online publications such as Business Insider, SUCCESS, YFS Magazine, and The Huffington Post.
